

Notes from Website - What to change

- ☐ Change GPA to 3.93
- ☐ "Class of 2027 - Open to design & marketing roles
- ☐ "I create engaging social media content, eye-catching graphics, and short-form videos designed to capture attention and drive engagement. Currently creating content for Vivian Health and UC Santa Cruz."
- ☐ "Brand work, unique illustrations, social campaigns, 3D and animation. Tap any piece to jump to the project!"
- ☐ "Creations and Projects
- ☐ One section that says "Work Experience and Personal Projects" - a line that separates the experiences vs. personal projects

Vivian Health

- ☐ "Creating and editing Reels and Tiktoks ...
- ☐ [Add marketing video](#)
- ☐ Add Tiktok as a tool?
- ☐ Mention the research of trends and how each month you apply new ideas and trends to your edited tiktok and reels
- ☐ [Jan, Feb Video](#)

UCSC

- ☐ Designs graphics and unique illustrations for different UC Santa Cruz social media platforms, including the Division of Student Affairs and Success and the Student Health Center.
- ☐ I work with a professional team to create as well as edit instructional content to support and inform UC Santa Cruz students of campus resources, deadlines, and helpful tips.
- ☐ "I conduct research and analysis while staying organized and detail-oriented throughout each project. Using a personalized project tracker, I manage priorities, track progress, and ensure every project is completed with care and thoroughness."
- ☐ Change the tools to → Photoshop, Illustrator, Slack?, Canva, Google Sheets, Docs, & Slides
- ☐ Change "In progress" to "Highlights"

Cowell College Senate

- ☐ Change title to "Senate Publicist"
- ☐ As Publicist for UC Santa Cruz's Cowell College Senate, I helped shape and manage the Senate's social media presence across Instagram and TikTok. Working with a small team, I developed and designed content, managed social media publishing, and led outreach efforts to connect with other campus organizations.
- ☐ Change to UC Santa Cruz

L'oreal

- ☐ "Completed" (misspell)

Roots of Waste

- ☐ "Roots of Waste is a personal project that combines ...

Character Design

- ☐ Over a 10-week period, I developed a fully original, 3D animated character in Blender, taking the project from initial concept and character design through sketching, modeling, rigging, and final animation.
- ☐ “3D animation character with a full skeletal rig”
- ☐ “Animated character” - no dash!!

Animation

- ☐ One stop motion short and two hand drawn frame by frame animations
- ☐ Animations edited in Premiere Pro and After Effects
- ☐ The first video should be the vintage one since the description says that
- ☐ Take out “frame by frame” as a tool

About

- ☐ Add organization to what im good at
- ☒ ~~Portfolio PDF is good ut I need to change the resume on the final page~~

Resume

- ☐ Change GPA to 3.93
- ☐ Next to the black titles, make sure the text next to it is italicized
- ☐ Take out dash from “short form video” in Skills tab

Summary

- ☐ Graphic and marketing designer who creates social media content, campaign graphics, and short form videos that make information clear and engaging. Currently producing Reels, TikToks, and Instagram graphics for Vivian Health and campaign content for UC Santa Cruz. Strong in typography, layout, motion graphics, and visual storytelling; organized, deadline reliable, and quick to learn new tools and systems.

Experience

Comms and Marketing Intern

- ☐ The mini titles should be italicized like “*Student Affairs & Success, UC Santa Cruz*”
- ☐ Create and edit designs, illustrations and videos for social media, promotional campaigns, and instructional content.
- ☐ Collaborate with multiple departments and student teams on real world campaigns that inform and engage students

Roots of Waste

- ☐ Change dash on self built
